

# Alumni Network

Alumni Network is an online social network for alumnis of colleges. This application gives the college passouts an opportunity to get in touch with a common platform where they share their details. This application has an advantage over other normal networking sites, that it provides thye facility to add different job providers a chance to post their vacancies. It helps the graduates to be in touch after college as well as giving them thecareer option .

The alumnis can create profile in the network. The alumnis are the users of the application. They can search and add their friends online. Each alumni can post their status and photos online. Friends can add comments to photos. Alumnis can add like to the photos uploaded. Alumnis can send messeges to others users . An alumni can create an event online and put it for an online poll. The friends can suggest new venue for the event and the venue can be changed before 3 days.

## FUNCTIONAL MODULES

1. Admin
2. Alumni
3. Companies
4. Event
5. Job vacancy
6. Photo uploading
7. Online poll

## FUNCTIONAL MODULE DESCRIPTION

1. Admin

Admin modules authenticate the new joinees in the network. Admin has a login and approval actions.

## 2. Alumni.

Alumnies are the core of this applications. Alumnies create profiles. They can update their status, Post photos, add comments and likes to other friend's photos. An alumni can create an event like reunion in the application. Other friends can view and vote for it.

## 3. Companies

This module will be added in the application for posting job vacancies. The alumnis can check the job vacancies and attend the job interviews.

## 4. Event

The event module creates by an alumni. The module has a discription and venue , time details. Others can suggest similar locations and the final event venue can be decided after an online poll.

## 5. Job Vacanicies

This module added by companies posting job vacancy.

## 6. Photo Uploading

This module deals with uploading photos online in Alumni's wall. Other Alumnies can add like, comments to this pic. Alumni can delete the pic once uploaded.

## 7. Online poll

This module is a part of Events. There will be an open poll for finalising the final venue of events posted online. The last venue will be fixed 3 days before the actual event date posted after considering the online poll.
